

SIR SF Golf Tournament Rules

Rules of Play - USGA Rules of Golf will apply with these **local variations**:

1. **Preferred lie:** The ball may be moved 6 inches, no closer to the hole, but not if in a hazard, bunker, or on the green.
2. **Lost Ball, No Provisional hit:** Save time and play as if in a water hazard, and **add 2 strokes**.
3. **Hole out:** Hole out all holes or be **disqualified** (actually same as Rule 3.2)
4. **Record all strokes:** NCGA Double-bogey Plus adjustments will be done by the committee.
5. **Don't enter red stake with green top areas:** These **environmentally sensitive** areas are treated as a **lateral water hazard** with mandatory relief and **add 1 stroke**.
